Capabilities Overview

Modern digital marketing for hotels. Less hassle. More profit. More freedom.

HOTEL ONLINE PRESENCE

- Reviewing, rewriting, and updating the hotel website
- Auditing hotel social presence across TikTok, Instagram, Facebook, LinkedIn, YouTube, and Reddit
- Content calendar planning and revenue-driving social strategy
- Influencer research, matching, and templated outreach
- Competitor and comp-set analysis
- Updating content and photos on search engines and OTA sites (Expedia, Booking, TripAdvisor)
- Updating third-party listings (CVent, Wedding Wire, etc.)
- Brand partner best practices and eCommerce scorecard updates
- Digital map optimization across Google and Apple Maps
- Photography & videography strategizing and directional support with (1) five hour property shoot per quarter)

LOCAL SEO & MAP OPTIMIZATION

- Directory research and listing push (MOZ, YEXT, and others)
- Google Business Profile and Bing Places optimization
- Generative engine answer optimization (ChatGPT, Gemini, Claude)
- Google and Apple Maps directional accuracy

LINK BUILDING & AUTHORITY

- Researching and recommending links and blogs that drive room nights and RFP leads
- Strategic outreach for editorial and partnership placements

OTA & METASEARCH ADVERTISING

- Expedia Travel Ads, TripAdvisor Ads, and Koddi Ads management
- Brand program optimization: Marriott PLUS, Hilton Amplify, IHG Boost, Hilton Top Up, Wyndham LevelUp
- Rate parity monitoring and OTA dependency reduction

SEO, AEO & GEO

- Keyword research and SEO/AEO/GEO strategy — visibility on Google, ChatGPT, Gemini, and Claude
- Page-level meta tag strategy and implementation
- On-page copy review, revision, and ad-hoc copywriting
- Internal linking architecture
- Answer Engine and Generative Engine optimization for AI-driven discovery

LANDING PAGES & CONVERSION

- Niche-market landing pages built to drive room nights — extended stays, weddings, pet-friendly, rooftop venues, and more
- Copywriting for new landing page modules
- Implementation on vanity websites
- UI/UX conversion rate optimization via heat maps and behavioral analytics

REPORTING & STRATEGY

- Website performance statistics on tier-appropriate cadence
- Performance review strategy calls — biweekly, monthly, or quarterly
- Tracking audit, comp set review, baseline setup, and opportunity mapping at engagement kickoff
